Mr. Edgar J. Hoover
Federal Bureau Of Investigation
Department Of Justice
Washington, D.C.

Dear Mr. Hoover:

I wish to thank you for inclosure, for special agent, in reference to my reporting, informing of Click magazine, and The Arbitrator, seemingly Nazist propaganda, and I believe there may be other magazines, and books.

I have meant to write sooner, I have carefully read the inclosure, and I believe I understand the word honesty, its limits and limitations, I feel able for sevice of special agent, and would be glad, willing to accept, should there be opening, vacancy, and of course if found qualified.

I wish to call you attention, that I am not a citizen; although I came here when 10, am now 44, single, came from near Genoa, Italy, and indeed not an admirer of Mussolini, nor Hitler. I had taken first papers for citizenship but was told I could not get them, I had claimed exemption during the world-war. I believe there is much propaganda going on, it has been my experience with a former employer of mine, who was wery anti semitic, a catholic, he was very inquisitive questioning in his conversations, knowing I had been a Mason, I hade reported such to the police department here, that he should have confronted me, but did not, and I believe he was a Tammanyte. I believe there are many local political parties, who are backed by Fascists and Nazists, knowingly and unknowingly, and which I believe the Catholic Church is behind them. I also believe there are many rackets backed by Nazists, as Hitler has said, Today the world is hearing Germany, To morrow Germany will hear the world, seemingly meaning that they are backing rackets, and corrupting magazine propaganda, and blaming the democracies, for allowing such, encreasing internal strife, and probably the C.I.O., is knowingly or unknowingly backed by Nazists, and possibly the White Camellia, fraternity, organization is backed by Nazists, knowingly or unknowingly.

I have received solicitations by mail for auto insurance, which I did not send for, they pay yearly interest up to # 35, which appeared to me crooked, The American Lumbermes Mutual Casualty Co. of Illinois, Progressive Agency, 105 W. 40th St., NewYork, N.Y., & The Hardware Mutual Casualty Company, Stevens Point, Wisconsin, and branch at Raymond*Commerce Building, Raymond Blvd. at Broad Strs., Newark, N.J., which I believe Nazists enterprises, business. I also wish to inform you that I have written, a letter To Adolph Hitler, and two to Benito Mussolini, feeling that if they did no good, they did not do any harm to us, and I believe the letters did have an effect, and feel they will in the future, I coveyed to them, thatI was quite confident that they wouldn't have a chance of winning, if there should be a war. To Hitler Ihave written these latin mottoes: Esto quod esse videris, To be, rather then to seem, Nisi Dominus frusta, Unless God be with us all our toil is vain, Mens agitat molem, Mind moves matter, Magna est veritas, et praevalebit, Truth is mighty, and will prevail, Finis coronat opus, The end crowns the work, signing Newton Darwin Volta. To Mussolini the same, and Festina lente, Hasten slowly, and that an attempt will be made to assasinate him, that its said he was behind the Mahatma Ghandi movement in India, and the conflict between the Jews an the Arabs in Palastine, signing Darwin Milton Papagall, and Bryant Milton Faust. I believe Hitler received the letter Aprill 27th, before is speech, and Mussolini little before his Turin speech. I am

Yours Very Truly,
